REF SITE 4020 / HGZ-4
HAWKSTONE AVE / HOLLINS HILL

Dear Leeds City Council

myself & my family

live at the top of Park Lane next to the field which sits next to Hollins Hill / Bradford rd where we are very happy with the view & no through traffic with Park Lane been a private rd. I cannot believe you are planning to build on this greenfield site which is agricultural.

We want to keep Leeds & Bradford separate & special landscape.

We have too much traffic in Guiseley & already find it difficult to get out of Park road onto Bradford road, and of which is a bad cross roads & many accidents so we don't want any more access / egress & highway issues.

The roads, schools & doctors surgeries cannot take anymore houses / residents and I therefore object to any more houses.

Yours Sincerely
