Dear Leeds City Council,

RE: Objection to the proposed allocation of the Haightside site, ref: HG2-173

I do not support the plans to build home on Haightside as I have major concerns regarding the electricity pylons running through the land, concerns over access to it, and how it would affect our community.

Rothwell schools are already oversubscribed. Our dental surgeries are full and it is near on impossible to get a GP appointment.

I do not agree with the council developing on Greenbelt land when there are other sites available. We should protect this land and the wildlife in it.

I have come to understand the owner of Hope Farm has offered his land instead, and that there would be enough room on there for a school. I suggest this as an alternative
