The proposed development would spoil an area of wildlife, Birds etc. The only asset the village has. We have no shops or post office.

The roads on the estate are inadequate and wouldn't support any more traffic. Most houses are without a driveway because of the hilly site on which they are built. So are parked on the road, at times causing problems!

The infant school was closed and merged with the junior school, so schooling would be a problem. There is very little for children to do in the area, except for the swimming pool sited on Station Road which is a walk away from the estate.

I have lived here on the estate for sixty years moving when I was seventeen with my parents from the pit village of Bawers Row.

Eventually I married, was allocated a house, reared my two children happily and peacefully and hope the tranquility of the estate may remain for the rest of my life.

The proposed site is the worst place in the village
