THE SIZE OF DEVELOPMENT IS OUT OF PROPORTION TO GARFORTH:

2,600 houses means at least 3,000 cars

7,000 residents

where is the transport infrastructure, doctors, dentist and school capacity -

This development should be self contained, with its school, dentist, doctor and transport facilities separate to Garforth.

Majority of new residents will be working in LEEDS at present railway has no spare capacity at rush-hour, roads A63, A64, A642 are choked at rush hour. Timetable for doctor and dental appointments have increased with the developments up to now.

What is your alternative? smaller development spread between the surrounding villages or a self contained estate call it Stanton Town.
