Dear Sir,

As a resident of this area for nearly 90 years I am writing to object to the proposed development of land in the Horsforth - Rawdon area for the following reasons:-

- 1) The current target of 70,000 is nothing but guesswork. The ONS projection of 45,000 is much more realistic.
- 2) The green belt between Horsforth and Rawdon would disappear.
- 3) Traffic from the proposed development would all feed

onto the A65 which is  
already full and over capacity  
especially during morning -  
evening rush hour. In addition  
the proposed airport link  
roads will also incorporate  
large stretches of the A65

Yours faithfully
