Dear Sirs, **PDH01221**

I wish to record my objections to the proposed planning for building of houses in Bramhope especially Site HG2-17 for 376 homes.

This will have a huge impact on the surrounding area, the roads being a particular problem. The main road through Bramhope has difficulty in coping with traffic now, the public transport is inadequate now + facilities will be insufficient.

The development would have a huge impact on the environment + turn a lovely village into a housing estate with a loss of the green belt.

Yours faithfully

P.S. MARTIN
