PDH01260

Dear Sirs,

I write to register my objection to the planning application for site HG2 – 15 (3400) Green Acres and Equestrian Centre. My many reasons are listed below.

The A660 is the main route into and out of Leeds and it is already totally congested. To build all additional houses, will increase this congestion and make it unbearable for the residents of Bramhope not to mention more dangerous to the people who walk their children to and from the local school.

Bramhope is a lovely village and has historical land marks and listed buildings. It now lies within a conservation area. To even consider allowing these homes to be built therefore increasing the size of the village by 25% will completely change the character of Bramhope and ruin it.

Bramhope is a Conservation Area and has green belt and green field sites that needs protecting, it's unacceptable to think about destroying these sites.

There is not enough demographic evidence that has been put forward to support such a huge development.

If you disregard the above points and allow this planning to go ahead does it not make LCC open to all sorts of appeals on personal planning applications as it shows one rule for one and one rule for another.

Because of the reasons stated I would please ask that you reject this application.

Yours faithfully,

Oliver Richard James
