Dear Sirs,

I write to register my objection to the planning application for site HG2 – 16 (1002) Creskeld Lane, Bramhope – land rear of no 45. My reasons are listed below.

The Conservation Area description states houses on spacious plots set back from the road. This land falls within the Conservation Area site and to even consider building the number of houses on this one site completely makes a mockery of this Conservation Area.

The A660 is the main route into and out of Leeds and it is already totally congested. To build these additional houses, will increase this congestion and make it unbearable.

There is a complete lack of infrastructure to cope with such an increase of housing.

Because of the reasons stated I would please ask that you reject this application.

Yours faithfully,

Oliver Richard James
