Dear Sirs,

I write to register my objection to the planning application for site HG2 – 17 (1080-3367A) Breary Lane East, Bramhope, LS16. My reasons are listed below.

The loss of green belt and green field sites is unacceptable as is building on site set within a conservation area.

The A660 is not adequate enough to deal with the current congestion never mind increasing the village by 25% and adding to this problem.

There is not enough infrastructure in place to cope with the scale of development proposed and that would lead to further sites needing to be used to build schools, and doctors and then you go beyond just increasing Bramhope by 25%.

Because of the reasons stated I would please ask that you reject this application.

Yours faithfully,

Oliver Richard James
