Dear Sir

Church Lane Paddock, Meanwood (Ref H62-50)

I wish to object to the proposal to build on the above plot.

There has already been much residential development in the area in recent years with the building of the vast Woodlea Estate and on the land adjacent to the 'Bay Horse' public house, which has put pressure on local schools, transport, the Medical Centre (difficult to get an appointment) and I understand there is a waiting list at the dentists. Traffic is already a problem at the dangerous Green Road / Stonegate Road junction. This is the last open green area in the vicinity. Building on it would ruin the character of the area.

In addition there are several far more suitable sites for development at the Working Mens Club, West Bath, Carr Manor and

Meanwood Hall (the old Hospital).

Trusting you will take all these points into consideration when making a decision.

Thank you.

Yours faithfully
