RE: LEEDS SITE ALLOCATION PLANS-FORMAL OBJECTION

Dear Sir/Madam,

As part of the Leeds Site Allocation Plan public consultation process. I would like to formally object to the proposed development of the following sites: HG2-41 & HG2-43

It is my understanding that the proposed development sites are NOT consistent with the national policy, specifically with regard to infrastructure.

These sites are important Green Belt Areas for Horsforth keeping its identity as the largest village in England and preventing Horsforth from becoming just an "URBAN SPRAWL", once GREEN BELT has been developed it can no longer be re-instated.

I fully appreciate that housing is desperately needed and feel that Horsforth has committed a very fair share of land for that purpose which has put pressure on the Roads - schools - Doctors Practices etc.

Please keep me informed of the public examinations, submission of the plans and potential outcome of the review.

Yours faithfully,

284. Broadway.
