Dear Sir/Madam,

I am writing to you to formally voice my objections to:

HG2-12 Woodlands Drive (including Southlands Avenue)
HG2-41 Rawdon Crematorium – Horsforth Roundabout
HG3-2 Knott Lane West
HG3-3 Knott Lane East
HG3-4 Layton Lane

My objections are the same as my husband's really, but I wanted to sent you a separate letter, as we BOTH object to the plans for housing around Southlands Avenue.

My son, daughter-in-law and grandson have lived on Southlands Avenue for nine years, and have been very happy. Well, up until just recently anyway.

I know for a fact that neither my son nor daughter-in-law knew anything about the Council's plans until they were told by a local community group. They were really shocked and upset, and still are. They have worked really hard to find (and pay for) a house like theirs, and have made sacrifices to do so.

They have tried to tell me about what the Council have been up to. How they haven't done a good job with their reports and things. Honestly though, I don't know anything about all that. I just know that building on lovely countryside should be the very, very last resort of any council anywhere in the UK.

Yours faithfully

Irene Clark
