Dear Sir/Madam,

PDHO1330

I strongly object to the proposed plans to build on the green belt areas in Horsforth as they contravene the National Planning Framework.

In particular plans: HG2-42(1016)
HG2-43(5009) HG2-41(4240)

The roads are already full to capacity in these areas, more small houses are required for people downsizing in older age and for young people starting out.

Wildlife is already in danger because of their habitat destruction.

In order to have a quality of life

it is essential to have traffic-free areas for exercising, walking and just enjoying the countryside.

Yours faithfully,

(MRS) S. GLYNN
