Part 3 - Is the Plan sound?

At this stage, before the Plan is sent to the Secretary of State for Public Examination, we are asking for your views about the 'soundness' of the plan. An independent Inspector will examine the plan against the 'tests of soundness' (Please read the guidance notes on how to complete this section)

3.1. Do you consider the plan to be sound?

Yes (go to Q3.3)

No (go to Q3.2)

3.2. Which test of soundness are your comments about? (You must select at least one option)

Positively Prepared

Effective

Justified

Consistency with National Policy

3.3. Please set out why you think the Plan is sound / unsound? Your comments should briefly cover all the evidence and supporting information necessary to support or justify your view. It helps us if you can use subheadings to deal with specific issues. Please continue on a separate sheet if you need to. There may not be another opportunity to make further comments before the plan is sent to examination.

The site is a Public Right of Way, which is a footpath, cycle + bridle path with access to Temple Newsam Park, Park Road + Meynell Road. Buller-thorpe Lane would surely need lighting for safety reasons also no public footpath is available. The road + surrounding areas are very busy now without a gypsy + travellers site. In fact the road is not at all suitable for the volume of traffic we have now.

3.4. Please set out what change(s) you consider necessary to make the Plan sound.

You will need to say why this change will make the Plan. It helps us if you can be precise as possible and providing any suggested revised wording. Please continue on a separate sheet if you need to.
