Dear Sir / Madam,

I am writing to you because me and my class have heard that you're going to build on greenbelt land in Rawdon.

Firstly we are worrying that schools will be over subscribed. My class already has 28 in and I don't really want there to be any more .As a child myself I feel strongly that my education will be effected. I want to be successful and I don't want some houses ruining that for me!

Secondly where will I walk my dogs (hg12)? If there are no wonderful green fields will I have to walk along the busy A65? Is this safe for a [redacted]?

Also if you build on greenbelt all animals (HG12) will be forced out of their homes while you make homes for people. In Rawdon there are lots of wild life including: Deer, rabbits, pheasants, Red kites and lots more. If you don't help them who will?

In addition I am very frustrated about road problems in the area , Also a few years ago you gusted the M62 around a farmers field which is first really rude and secondly his animals will be disturbed while the sleeping !This just shows why I am writing to you .

Thank you very much for listening to my letter and I hope you change your minds.

Yours faithfully,

[redacted]
