Why do you think this site is unsound/sound (delete as appropriate)

I accept that the Council have had to find sites for housing in all areas of the Leeds area. It seems unfair (to Garforth) that they planners have chosen such a large development adjacent to Garforth. It would have a huge detrimental impact on Garforth if it went ahead.

1. It would result in a great increase of traffic on the A63

2. Local services would be under strain if, as is likely, houses are built before infrastructure or services are on site.

3. Local schools could not accommodate more pupils.

4. Garforth Main St. will be busier - will need extra parking provision Where?

5. The green belt should be preserved at all costs

What is your alternative? Use should be made of all brown field sites in the area, before considering loss of agricultural land and green belt
