Dear Sirs,

Reference No 2-2 (3029)

I wish to object to the building proposals for various reasons.

mainly:

- 1) Greenbelt land
- 2) Over crowding
- 3) Not enough schools for children
- 4) Doctors and Dentists
- 5) Roads not adequate at the moment let alone building more houses.
- 6) Taking away agricultural land
- 7) Public foot paths for walkers.
- 8) Views of open countryside

Why choose greenbelt land and not
Mounfield - we are over wooded with houses
and cars the roads cannot cope at the
moment - schools, doctors etc. the same
what ~~has~~^{is} the council going to do
about this - some more thought should
be put into this proposal!

Yours faithfully
