13/11/15

Dear Sirs

My wife and I strongly object to the
Proposed to build houses on green belt land in
Rawdon Horsforth area.

We consider we have reached saturation
point with schools services and medical services
over the area struggling to cope.

We have had large developments in housing
in the area ie Bromley Park, Silver Cross
Claviant & High Royds and many more the A66
can not cope with all the traffic even though large
amounts of money spent on the Horsforth Roundabout
it still takes us 20 minutes to do the mile

If this goes ahead, Horsforth Garden
Rawdon Guiseley would merge into Leeds and
would be lost for ever. Is this legal?

Yours Faithfully
