To Whom This May Concern,

This is regarding HG2-10 Gill Lane, HG2-12 Woodlands Drive, and HG2-41 Rawdon Crematorium and Horsforth Roundabout.

As a California resident I am taken aback by the beauty of Leeds. During a visit with my family I explored the farmlands, Dales and moors. I especially loved walking in the fields and through the trees - in particular, Country Way at HG2-12 site.

I sincerely hope that you see the value of this landscape and preserve it for future generations to enjoy, as you and I have.

Thank you

Jordan McDaniel
