Site H92-10 (122) Gill Lane 8.11.2015

Dear Sir,

My objection to more Houses being built on the Gill Lane site, as now all the services are full to overflowing. Doctors - Schools. Transport etc the roads round the area are now very full and trying to go anywhere is now very difficult. These new Houses that are proposed will add to all the difficulties that are already there. My view is No to the PROPOSED BUILDINGS ON THIS SITE.

Yours faithfully
