Site Allocation Plan

Dear Sirs,

This Society is concerned at the possible allocation of several open grassed areas in this neighbourhood for house building under the latest draft Site Plan.

In particular we strongly object to the inclusion of land off Weetwood Avenue, Leeds 16 which for many years has been a sports ground latterly used by Tetley Brewery sports club. This field is listed as contributing to the character of the area in the Far Headingley, Weetwood and West Park Neighbourhood Design Statement approved and adopted as a Supplementary Planning Document by Leeds City Council in September 2014.

It has long been included in the city's Green Belt and in the much valued Urban Green Corridors which the Council has been anxious to preserve.

We therefore request that this land be omitted from the present Site Allocation Plan.

Yours sincerely

Chairman

cc. Cllr. Bentley
